EXTRA – Travel Brochure Organizer

To make a tri-fold brochure take a piece of white paper, turn it sideways so the longest side is on top and bottom. Fold it into thirds. Each section or panel is a place to write your information. Be sure to include illustrations, maps, etc. Each panel should be about the same topic.

Use the organizer below to help you gather information.

| | |
|---|--|
| How to travel on the canal. | |
| Business on the canal and in the local village near the canal. | |
| Things to do in the village, near or on the canal. | |
| Facts about the Erie Canal. | |
| Times have changed. Explain how this past time is different from the current time from your point of view as a time traveler. | |
