Extensctions – Brainstorm

Kristina Savoca and the Apple Muffin gang both had ideas for a law. In the box below, brainstorm some ideas you have for a New York State law. You might want to solve a problem, protect people or maybe you have another NYS symbol idea!

Look at your ideas. Is there one that stands out? Is there one that you have supporting ideas for? Circle that one.

Write a claim for your idea:

In the box below write any questions you need to answer in order to persuade someone that your idea is a good one.
